"Our patrons are getting so much more out of the tours since we added the Listen equipment. It's really enhanced the visitor experience."

John Grayson, Director of Development
Museum of Contemporary Art, Cleveland

LA-161 Single Ear Bud
The single ear bud, friction fit with one replaceable cushion.

LA-162 Stereo Ear Buds
The dual ear bud, friction fit with two replaceable cushions.

LA-163 Replacement Cushions for Ear Buds (20)
The replacement ear cushions are for the LA-161 and LA-162 ear buds.

LA-164 Ear Speaker
One of Listen's most popular earpieces, the ear speaker fits easily over the ear.

LA-165 Stereo Headphones
Dual ear, over-the-head style earphones provide clear sound to both ears.

LA-166 Neck Loop
This deceptively simple looking loop acts as a wireless connection to hearing aids equipped with a "T" coil.

LA-167 Replacement Cushions for Stereo Headphones (10)
Replacement cushions for the LA-165 and LA-170 stereo headphones.

LA-168 Sanitary Covers for Stereo Headphones (10)
FDA-approved elastic secured covering for the LA-165 and LA-170 stereo headsets.

LA-170 Behind-the-Head Stereo Headphones
Popular with listeners who wear hardhats or are concerned about "headphone hair".

LA-171 Noise Reduction Headphones

The Noise Canceling Headphones can be used in applications where a noisy environment may distract from the transmitted audio or where ear protection is required.

DH 6021 Stereo Headphones

Comfortable, light-weight dynamic stereo headphone for conference and assistive listening applications.

DH 6023 Stethoscope Stereo Headphones

Comfortable, light-weight stereo stethoscope headphone for conference and assistive listening applications.

DH 6025 Clip Headphone

Comfortable, light-weight single ear headphone clip for conference and assistive listening applications.

IH 6000 DCS 6000 Interpreter Headset

Comfortable, sturdy, light-weight professional headset especially designed for the DIS interpreter set.

LPT-A104 6 in. (15 cm) Ceiling Speaker

The ceiling speaker offers an easy solution for mounting into acoustical tile or drop ceiling applications.

LPT-A106S 4 in. (10 cm) Wall Mount Speaker

The wall mount speaker offers an easy solution for mounting to any wall.

LA-316 Expansion Speaker for LR-600 & LR-100 (Discontinued)

Expansion speaker for double the audio output.

Note: The LA-316 has been discontinued. Please contact Listen with any questions.
